=====
*** This is NOT kids' hemophilia summer camp! ***
*** You MUST be able to self-treat for your bleeding disorder (if you treat) ***
*** You will be expected to bring your own medications and infusion supplies ***
*** Bring enough meds for a high-activity week - plus a trauma dose ***
*** DAO will NOT have extra factor medication on hand ***
=====

*If you run out of a particular medication you may have to leave, as the nearest pharmacies can be 20 to 100 miles away. Please bring enough medications for a week. Bring enough to cover you during high activity levels (i.e. prophylaxis). You must also bring your own infusion supplies, as camp does not provide these. Use the camp sharps container or your own - Do **not** throw your infusion trash in the regular camp trash, as this is unsanitary, and camp staff sorts through the trash for burning.*
